

Amendments to the Claims

This listing of claims will replace all prior versions and listings of the claims in this application:

Listing of the Claims:

11. (Currently amended) A method of language translation system during a testimonial proceeding, the method comprising:

receiving into a transcription system, in real time, representations of words spoken in a first language during a testimonial proceeding, without requiring confirmation of said representations;

converting, in real time, said representations to text in the first language;

translating, in real-time, the text in the first language to text in a second language;

and

communicating the text in the second language to a terminal for real-time display.
